The Significance of Place: An Intro to Place-based Learning ^P

Teacher: Heather Askea

Struggling with making lasting, real-world connections to your lesson activities? Place-based Learning could be the perfect approach to get your students applying their skills and knowledge. Find out what it is and how you can use it in your classroom!

Welcome to The World Is Your Classroom: Place-based Learning! This workshop is a brief introduction into the principles of place-based learning as well as practical ways that you could apply PBL in your instruction. In each module you will have a series of resources and an activity to complete. This workshop is designed to be self-paced so that you can work at your own pace. All resources and activities will be available for 32 days after purchase. You can complete it all at once or anytime over the 32 days. A certificate will be provided upon successful completion of the workshop.
