👤 your books forum 28 unread posts

## Moodle Features Demo

Moodle Demonstration > Features > Forums > A Standard forum for general use

Options for forum members → This forum allows everyone to choose whether to subscribe or not  
Everyone can now choose to be subscribed  
[Unsubscribe from this forum](#)

Introduction → This is a standard forum. The Administrator made one entry. It does not force an automatic subscription.

To add your post click here: → [Add a new discussion topic](#)

Discussion	Started by	Replies	Last post
<a href="#">The first post</a>	Admin User	1	<a href="#">Student Demo</a> Thu, 17 Jul 2008, 09:40 PM

Next Add your post information in the boxes provided. Those listed in red are required fields.

Let a favorite storybook character introduce you to the rest of the class.

[Post to forum](#)

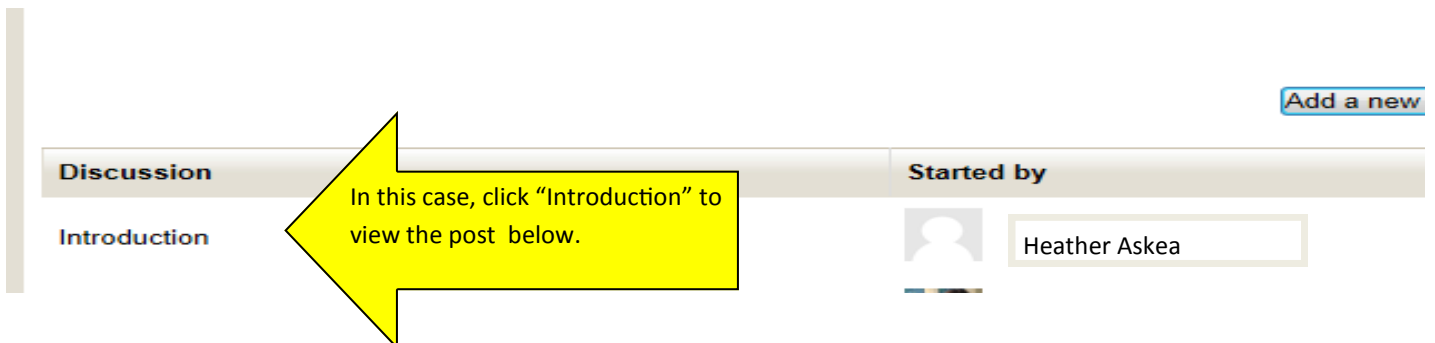

If you want to attach a picture or video file you can click "Add" and upload it here.

When you are done click "Post to Forum"

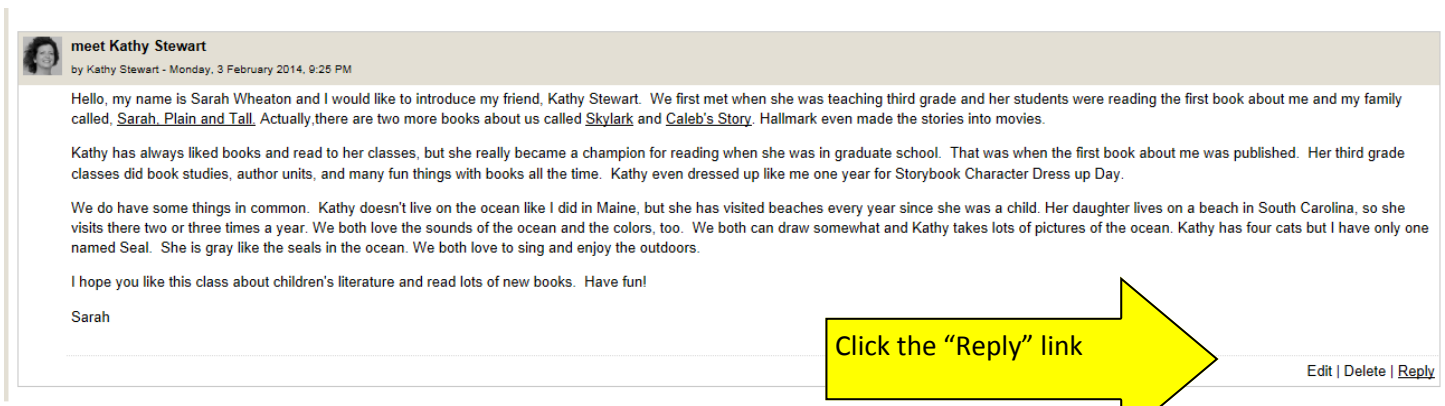

There are required fields in this form marked \*.

To view or reply to other people's posts:

1. To view a post click on the post's title listed under the Discussion column in the main assignment area.

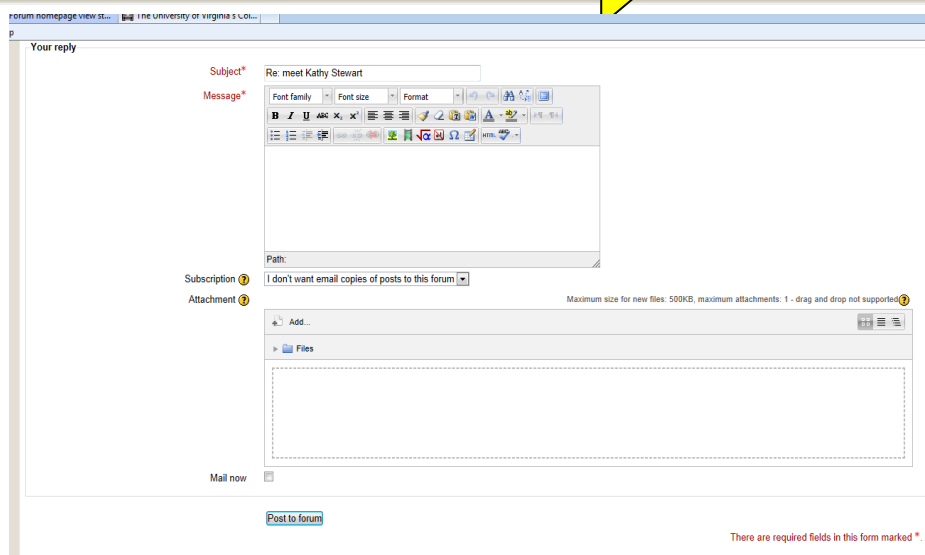

2. After reading the post click the "reply" link in the bottom right corner.

3. Just as when you added your original post, you add your reply in the "Message" section.

4. When you're done, just click "Post to Forum".
